

YOUTH VOICE BUCKS

Buckinghamshire Council has
launched its first
Youth Participation Strategy.

Youth Voice Bucks wants to
hear from schools to...

- **Showcase** great student voice projects
- **Support** you to develop youth voice opportunities
- **Invite staff** to join the Youth Voice Champions network
- **Invite students** to join the Youth Voice forum and other opportunities

Youth Voice Bucks' **3 rules of engagement**

to encapsulate high-quality youth participation:

Rule 1

We don't ask young people to do something we would not do ourselves.

Rule 2

When engaging young people in service development, we provide them with development opportunities to ensure they have the skills to do so.

Rule 3

When engaging with young people we will have a clear strategy about how we will listen, act and respond in a timely, transparent manner that maximises young people's ownership.
