#### Hello and welcome, overview of plan for the session

The meeting started at 5.00 pm, with members joining both in person and online.

#### Updates/Positive Pineapple

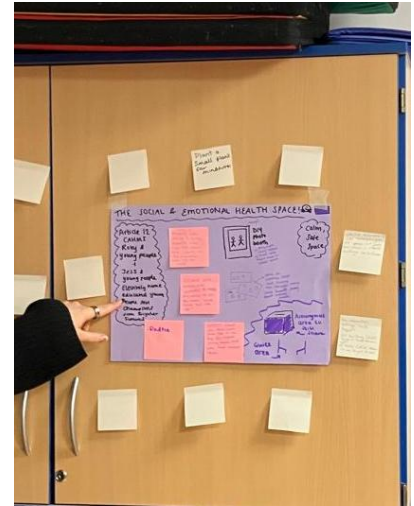

Everyone introduced themselves and shared something positive that has happened to them since the last session.

#### Summit planning part 1:

Members walked around the room finding updates about the upcoming Bucks Youth Summit plans, focussing on the conversation spaces. Members have planned each space, with Lucy actioning plans in-between meetings. Members had a final chance to make any changes and additions to the spaces before the event next month. Members had group discussions as well as writing their ideas on post it notes.

**Action: Lucy to action changes members have suggested to each conversation space.**

Food break

The group had a 20-minute break and enjoyed pizza and picnic-style food.

Summit planning part 2:

Members prepared resources for the Summit event!

This included:

- Sorting green and red lanyards for young people to wear on the day
- Writing the schools and youth group names on name tags for the good bags
- Creating resources for the Community Engagement space
- Brainstorming how to make DIY resources for the Technology in Education Space
- Packing conversation space resources bags including stationary, paper, glue etc

Members did a fantastic job of packing the resources and working well as a team. Members have put so much time and effort into planning the event, packing resources was a lovely way to end the last session before the big event next month!

#### Summary, AOB and close

Member PH suggested a great idea for Lucy to create a post-Summit reference for young people, highlighting their contributions and involvement both in the lead-up to the event and on the day itself. This could be used to support their future opportunities. Lucy shared this idea with members so they can begin thinking ahead about what they might want included after the event.

Lucy will continue to update members with important information in the run-up to the Bucks Youth Summit to ensure they feel fully informed and prepared
